

# A4+ storage

## Reliability – Flexibility – Simplicity

The A4+ storage system is a unique and highly efficient storage solution that looks great in the home and the office.

Space saving, solidly constructed from quality materials, and flexible, it offers storage that adjusts to your needs and your available space.

Comprising freestanding and wall-hung shelving units, cabinets, drawers and trolley units, the A4+ comes in a choice of five heights, two widths, and two depths. Regardless of the combination you choose to start with, the A4+ can be moved, reconfigured and extended to suit your changing needs.

The A4+ can be supplied as completed units or flat pack ready for you to assemble. Made from Melamine-laminated MDF board,

it comes standard in Washed Maple or White, with other colours available on request. Base options include plinth, castors or metal frame.
