

# Lundia at Home.

**Lundia is the perfect choice for every room in the home.**

These sheets show some of the many different applications Lundia has for your home. Use this to inspire or even just to have a sneak peek at what many New Zealanders are doing with Lundia in their homes.

Adjustable Solid Pine Shelving makes a perfect storage solution and a great feature for your special things. This unit has been customised with cupboard doors and shelves.

Lundia's Cubox Melteca System has so many uses, we are constantly inspired by our customers creativity.
