

Mousehouse

The versatile and compact Mousehouse is a stand-alone mobile computer workstation that's ideal for the home office, libraries or schools.

Top-quality fittings and ball-bearing runners are used for the keyboard slide and printer shelf.

Designed to house your monitor, computer hard drive, keyboard and printer/scanner/fax, it can be locked and wheeled around for maximum security and convenience.

- Adjustable sliding keyboard shelf
- Roll-out printer/scanner shelf
- Convenient cable access
- Durable laminate work surfaces
- Locking castors for easy mobility
- Wide-opening bifold lockable doors
