

# Lundia Retail.

**Lundia is versatile, hard-wearing and high quality.**

These sheets shows some Lundia applications used by retailers in New Zealand.

These sheets are an indication only of our Retail offer, for more concise information on our extensive range, please consult our website and our specifiers library.

Hardy's needed a customised product which upheld the sustainable values of the business as well as flexible retail systems which gave customers a great space to shop from and plenty of storage on-site for stock and staff needs.
